

**Christ Church**  
WINDSOR

### **MEMBER COVENANT**

Having been led by the Holy Spirit of God to receive Jesus Christ as the Lord and Savior of our lives, and, on the profession of our faith, having been baptized, we do now joyfully enter into covenant with one another as one body in Christ:

We will exhibit confidence in God's word by reading and listening to it, preaching and teaching it, and obeying it.

We will prioritize the gospel of Jesus Christ as the center point of God's word, the only means of salvation, and the highlight of our preaching and teaching.

We affirm the Statement of Faith and will not contradict it in our teaching.

We will depend upon the Holy Spirit and prayer.

We will seek to be filled with joy and awe in our worship of God.

We will seek to love one another like family.

We will be generous neighbors.

We will each personally seek to make disciples who make disciples.

We will joyfully submit to our leaders as our leaders humbly serve us.
